

GLOBAL CERTIFICATION PROGRAM

Cloud Engineering

→ Become an AWS Certified Solutions Architect.

Beginner → Associate

20 weeks

194 hours

Online \$3,490

On-site \$3,700

Design, deploy, secure and operate workloads across the three dominant clouds. You build real systems on AWS, Azure and Google Cloud, then sit and pass the associate exams recruiters know worldwide.

CERTIFICATIONS YOU'LL EARN

Globally-recognised credentials.

Amazon Web Services	Solutions Architect – Associate · SAA-C03	\$150
Microsoft	Azure Administrator Associate · AZ-104	\$165

Included with this track

- Resume / CV & interview preparation
- LinkedIn profile optimisation
- Company excursions & industry conferences
- Hands-on capstone & portfolio
- Professional LinkedIn headshot
- LinkedIn content created & posted for you
- AI-accelerated workflow in every module
- Internship placement

HOW IT WORKS

Train here. Get certified globally.

01 Train hands-on

Real projects with practitioners; AI-accelerated workflows in every module.

02 Get exam-ready

Official curriculum, labs and mock exams to certification standard.

03 Sit the global exam

You take the official vendor exam — and pass.

04 Get certified & placed

Globally certified, work-ready, with an internship.

TERMS OF SERVICE

The essentials.

1. **Enrolment & payment.** Fees are due before the programme begins; instalment plans are available on request. The application & registration fee secures your place and is non-refundable.
2. **Study mode.** Online fees exclude on-site items (medical, feeding, on-site participation and in-person excursions). Switching mode after enrolment may change the fees payable.
3. **Exam vouchers.** Official certification exam fees are paid to the relevant vendor (AWS, Microsoft, CompTIA, NN/g, etc.). We prepare you for and help you register to sit each exam; passing the official exam is required to earn the global certification and is not guaranteed.
4. **Certificates.** A Favtoma Academy certificate is awarded on successful completion. Global industry certifications are awarded by their respective bodies on passing their official exams.
5. **Career services & internship.** Resume, LinkedIn and personal-branding services and internship placement are included. Placement depends on performance and availability and is not a guarantee of employment.
6. **Attendance & conduct.** Minimum attendance and a code of conduct apply; serious breaches may result in dismissal without refund.
7. **Refunds & withdrawal.** After a programme starts, refund eligibility reduces on a sliding scale; application fees and any consumed exam vouchers are non-refundable.
8. **Changes.** Favtoma may update curricula, schedules and fees; vendor exam prices are set by the vendors and may change. Published fees are current at the date of issue.
9. **Privacy & ownership.** Personal data is handled per our privacy policy; the LinkedIn content and headshots we create for you remain yours.

These are summary terms; full terms & conditions are provided at enrolment. Fees are quoted in USD and are current at the date of issue.
