

GLOBAL CERTIFICATION PROGRAM

Cyber Security

→ Become CompTIA Security+ certified.

Beginner → Intermediate

24 weeks

214 hours

Online \$4,357

On-site \$4,567

Go from beginner to job-ready defender — securing systems, hunting threats and responding to incidents. We train you on real tooling and prep you to sit and pass the certifications SOC teams hire for.

CERTIFICATIONS YOU'LL EARN

Globally-recognised credentials.

ISC2	Certified in Cybersecurity (CC) \$199	ENTRY
CompTIA	CompTIA Security+ · SY0-701 \$404	
CompTIA	CompTIA CySA+ · CS0-003 \$404	

CURRICULUM

11 modules · 214 hours · AI-accelerated.

01	IT & networking foundations Networking & protocols · OS fundamentals · Linux & command line	24h
02	Security fundamentals Security principles · access control · network security (ISC2 CC)	20h
03	Threats, attacks & vulnerabilities Threat landscape · malware & social engineering · vulnerability management	24h
04	Security architecture & cryptography Cryptography & PKI · secure design · cloud & hybrid security	22h
05	Security operations & monitoring SIEM & log analysis · SOC workflows · detection	24h
06	Incident response & threat detection IR lifecycle · threat hunting · forensics basics	22h
07	Governance, risk & compliance Risk management · frameworks & policy · audits	16h
08	AI in cyber security AI-assisted threat detection · AI copilots in the SOC · prompt-driven log analysis · securing AI systems	14h
09	Hands-on lab & capstone SOC simulation · blue-team exercises · portfolio	20h
10	Certification prep & exams Mock exams for CC, SY0-701 & CS0-003 · exam strategy	16h
11	Career & personal branding Resume & interview prep · LinkedIn headshot, profile & content we post for you · internship onboarding	12h

FEES

Two ways to study. One all-in price.

Tuition

214 hours × \$15/hour

\$3,210

per instructional hour

\$50

On-site only

On-site participation (campus & labs)

on-site

\$150

Medical

on-site

\$30

Company excursions & conferences

on-site

\$80

Feeding

optional

\$10 / week

ONLINE ALL-IN*

\$4,357

ON-SITE ALL-IN*

\$4,567

*Excludes optional feeding and living costs. Exam-voucher prices are official vendor fees, current at publication. Software runs on free tiers / student licences (AWS, Azure & Google Cloud free tiers, Power BI Desktop, Tableau student licence, Figma); the Google foundations use a Coursera subscription. Flexible & instalment options available.

Included with this track

- Resume / CV & interview preparation
- LinkedIn profile optimisation
- Company excursions & industry conferences
- Hands-on capstone & portfolio
- Professional LinkedIn headshot
- LinkedIn content created & posted for you
- AI-accelerated workflow in every module
- Internship placement

HOW IT WORKS

Train here. Get certified globally.

01 Train hands-on

Real projects with practitioners; AI-accelerated workflows in every module.

02 Get exam-ready

Official curriculum, labs and mock exams to certification standard.

03 Sit the global exam

You take the official vendor exam — and pass.

04 Get certified & placed

Globally certified, work-ready, with an internship.

TERMS OF SERVICE

The essentials.

1. **Enrolment & payment.** Fees are due before the programme begins; instalment plans are available on request. The application & registration fee secures your place and is non-refundable.
2. **Study mode.** Online fees exclude on-site items (medical, feeding, on-site participation and in-person excursions). Switching mode after enrolment may change the fees payable.
3. **Exam vouchers.** Official certification exam fees are paid to the relevant vendor (AWS, Microsoft, CompTIA, NN/g, etc.). We prepare you for and help you register to sit each exam; passing the official exam is required to earn the global certification and is not guaranteed.
4. **Certificates.** A Favtoma Academy certificate is awarded on successful completion. Global industry certifications are awarded by their respective bodies on passing their official exams.
5. **Career services & internship.** Resume, LinkedIn and personal-branding services and internship placement are included. Placement depends on performance and availability and is not a guarantee of employment.
6. **Attendance & conduct.** Minimum attendance and a code of conduct apply; serious breaches may result in dismissal without refund.
7. **Refunds & withdrawal.** After a programme starts, refund eligibility reduces on a sliding scale; application fees and any consumed exam vouchers are non-refundable.
8. **Changes.** Favtoma may update curricula, schedules and fees; vendor exam prices are set by the vendors and may change. Published fees are current at the date of issue.
9. **Privacy & ownership.** Personal data is handled per our privacy policy; the LinkedIn content and headshots we create for you remain yours.

These are summary terms; full terms & conditions are provided at enrolment. Fees are quoted in USD and are current at the date of issue.
