Globally certified, work-ready, with an internship.

TERMS OF SERVICE

The essentials.

1. **Enrolment & payment.** Fees are due before the programme begins; instalment plans are available on request. The application & registration fee secures your place and is non-refundable.
2. **Study mode.** Online fees exclude on-site items (medical, feeding, on-site participation and in-person excursions). Switching mode after enrolment may change the fees payable.
3. **Exam vouchers.** Official certification exam fees are paid to the relevant vendor (AWS, Microsoft, CompTIA, NN/g, etc.). We prepare you for and help you register to sit each exam; passing the official exam is required to earn the global certification and is not guaranteed.
4. **Certificates.** A Favtoma Academy certificate is awarded on successful completion. Global industry certifications are awarded by their respective bodies on passing their official exams.
5. **Career services & internship.** Resume, LinkedIn and personal-branding services and internship placement are included. Placement depends on performance and availability and is not a guarantee of employment.
6. **Attendance & conduct.** Minimum attendance and a code of conduct apply; serious breaches may result in dismissal without refund.
7. **Refunds & withdrawal.** After a programme starts, refund eligibility reduces on a sliding scale; application fees and any consumed exam vouchers are non-refundable.
8. **Changes.** Favtoma may update curricula, schedules and fees; vendor exam prices are set by the vendors and may change. Published fees are current at the date of issue.
9. **Privacy & ownership.** Personal data is handled per our privacy policy; the LinkedIn content and headshots we create for you remain yours.

These are summary terms; full terms & conditions are provided at enrolment. Fees are quoted in USD and are current at the date of issue.
